INTERNATIONAL CONFERENCE FOR WIND BANDS

17-21 August 2018, Makó – Hungary

The Hungarian and Eastern Central European Association of Bands and Ensembles – WASBE Affiliate announces its wind music festival and conference from 17th till 21st August 2018 in the town of Makó.

The goal of the conference is to improve and to enrich the international cooperation and professional contacts between wind bands, orchestras and the experts in the field of wind music. At the conference take part more than twenty bands and orchestras from 3 continents of the world intended to perform their musical worth at high level. We kindly wait for the bands and orchestras from all over the world to our town, which is a rich cultural and spa tourism centre of Hungary.

In the framework of the conference we give in the mornings masterclasses and lectures. In the afternoons the bands have free time activities or open-air concerts in the famous thermal spa of „Hagymatikum” and in the evenings there are concerts in the town centre of Makó. The highlight of the conference is the gala concert on the 20th August when all of the bands play and perform together for the celebrating audience.

Qualifying competition can also be organized, based on demand of the bands. In this case the wind bands will be assessed by an international jury.

We are kindly waiting for your apply!
